

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF IOWA
CENTRAL DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

JOSE JUAN ISLAS-BRAVO,

Defendant.

No. CR 07-3039-MWB

**SUPPLEMENTAL INSTRUCTION
TO THE JURY**

**SUPPLEMENTAL INSTRUCTION NO. 16 - ADDITIONAL
IMPEACHMENT**

In addition to the matters concerning credibility and impeachment stated in **Instruction No. 10**, I now give you this additional instruction. You have heard evidence that witness Gene Smith testified in the hope that the prosecutor will not file charges against him. His testimony was received in evidence and you may consider it. You should treat the testimony of this witness with greater caution and care than that of other witnesses. Nevertheless, you may give his testimony such weight as you think it deserves. Whether or not his testimony may have been influenced by his hope that the prosecutor will not file charges against him is for you to determine.
